Number SB-89S-484

Whereas; The University Programming Board and SGA in general spend a great deal of money on Instrucional Communication services; and;

Whereas; An estimated 90% of this outside cost could be eliminated with and in house computer system; and;

Whereas; The savings from this in house work would pay for the computer within 2-3 years; and;

Whereas; This equipment would be used by students for students; and;

Whereas; The cost for the computer and all necessary components would be \$9,934.00.

Therefore; Let it be resolved that \$9934.00 be transferred from Unallocated Reserves to the special projects account for the purpose of purchasing computer equipment.
